## 1365 Students with Tablets across Telangana and Karnataka

During the unprecedented COVID-19 times, education to the under-privileged students is a challenge since they do not have access to digital devices such as smart phones.

- To promote Digital Online Learning, we are providing Tablets and internet access to high school students so they could access the online classes and resources required for their learning.
- In the process of supporting 1365 students with tablets across Telangana and Karnataka. We aim to expand this support to further students in these states along with those in Andhra Pradesh.

## VILLAGE ADOPTION PROGRAM

### - PVTGs (Particularly Vulnerable Tribal Groups)

- Scheduled Tribes (STs) are among the most oppressed groups Even among Scheduled Tribes, PVTGs (Particularly Vulnerable Tribal Groups) are the most vulnerable.
- Nirmaan has initiated the Village Adoption Program to support and

facilitate the development of PVTG villages in Telangana through a Public Private Partnership Model with special focus on their education, livelihoods, health and basic amenities.

**Our Mission is to promote grass root social innovation, volunteering spirit, active citizenship and social leadership among the youth of the nation.**
