

All Chapter Meet – Report

The All Chapter Meet (ACM) of Nirmaan Organization was held on **7th and 8th of January 2017** at **BITS Pilani, Hyderabad Campus!**

Overall, a 100+ Nirmaan'ites participated in ACM.

In the two-day event, Nirman'ites from all the chapters participated in events ranging from informal chats, team lunches, and several fun games and external speakers, formal workshops and brainstorming sessions.

First day of ACM started with the inaugural session. Shri Venkat, AVP & CSR Lead from Synchrony Financial was the chief guest and gave his keynote address. Other guests present at the inaugural session were Shri Sridhar, CSR Lead from ADP. Shri. Mayur, Co-founder and CEO of Nirmaan, presented the impact report of the organization and emphasised on accountability and transparency in the organization. Other Governing Board members of Nirmaan, Shri Chandrasekhar and Shri Naresh also participated in the session.

The inaugural session followed with project presentations on Education and Skill development initiatives of Nirmaan. In the afternoon session Smt. Rekha Srinivasan, Executive Director of United Way Hyderabad, addressed the gathering on the present day development work and development sector.

The first day concluded with a workshop on Perspective Building to Community Development that highlighted the values and the qualities of being a community worker. Shri. Muralidhar, Adviser, CB, NRLM/UNDP & Lead Faculty at NIRD, conducted the workshop.

Second day of the ACM started with a workshop on Project Strategy Planning and Impact Assessment by Smt. Girija, Manage, Community Development Programs at United Way Hyderabad. The workshop focussed on theory and practice of project planning and developing a logical framework. While those at leadership level attended the workshop, rest of the teams took part in a café sharing experiences of working at Nirmaan.

Shri Akella Raghavendra, renowned motivational speaker and IAS trainer, addressed the gathering in the second half of the day. The two-day ACM concluded with sharing of feedback and personal experiences and a passionate motivational talk by Mayur, co-founder and CEO of Nirmaan. Teams also participated in a brief exercise to set project impact targets for the next one year before closing.

Table: Financials of Nirmaan

Key resolutions of ACM:

- ✚ BITS – Goa chapter will host the next ACM, to be held on the 17th and 18th of May 2017
- ✚ All the project teams will take forward the impact targets exercise and come up with the targets for the next one year

Other Suggestions:

- ✚ Platform for project teams across chapters to interact
 - Whatsapp groups for Education and Skill Development
 - Telepresence ACM once every 3 months
 - Updating Facebook group
